

IFAW Animal Action Week

Design a Calendar Competition

Every year as part of IFAW Animal Action Week a calendar wall poster is produced and we want you to help design it.

Help us create a calendar about the need to protect our oceans and marine wildlife. We want you to paint a colourful picture or draw one or more of the marine animals that IFAW helps to protect around the world. IFAW works with a wide variety of marine animals, including whales, seals, polar bears, sharks, porpoises, seabirds and turtles. You can also find out more about the marine wildlife IFAW helps to save by logging on to the web site at www.ifaw.org, where there are plenty of pictures.

A selection of the best entries will then be used on the calendar wall poster for next year's event, Animal Action Week 2009. The winners will also receive a prize package from IFAW.

Your picture does not need to include the calendar itself, because that will be added at the printing stage. The picture size can be up to standard A3 size (29.7cms x 42cms) and should be no smaller than a single sheet of standard A4 paper (29.7cms x 21cms).

ENTRY FORM

To enter, fill in this form and send it to the address below with your entry attached.
Closing date for the competition is 31 December 2008

Artist Name _____

Male Female Please tick appropriate box
