Male Female Please tick appropriate box

Address _____

Postal code _____

Date of Birth _____

Telephone No. _____

School Name _____

School Address _____

Postal code _____

My Slogan (No more than six words).

Cut along dashed line

Every year as part of IFAW Animal Action Week a wall poster and calendar are produced and we want you to help design it.

Help us create a poster about the need to protect our oceans and marine wildlife. We want you to paint a colourful picture of marine wildlife and write a slogan to go with it. A selection of the winning entries will be used to create our Animal Action Week wall calendar. We want a colourful painting or drawing of one or more of the marine animals that IFAW helps to protect around the world. IFAW works with a wide variety of marine animals, including whales, seals, polar bears, sharks, porpoises, seabirds and turtles. You can also find out more about the marine wildlife IFAW helps to save by logging on to the web site at www.ifaw.org, where there are plenty of pictures.

A selection of the best entries will then be used on the wall poster and calendar for next year's event, Animal Action Week 2009.

Your picture does not need to include the calendar itself, because that will be added at the printing stage. Your picture should be standard letter size and can be a painting, sketch, collage or any other illustration. The slogan should NOT be painted on the poster, but written on this entry form opposite or a separate sheet attached to the painting.

Please return this entry form along with your design to:
