Animal Action Art contest

Every year, IFAW asks young people to help produce our annual Animal Action wall poster.

We're looking for colorful paintings and drawings of one or more of the animals that IFAW safeguards around the globe, including elephants, whales, seals, bears, tigers, turtles, cats, dogs and many more.

You can find out more by visiting our web site:
www.ifaw.org/discoveranimals.

All winners will receive a certificate from IFAW and a selection of the winning entries will be featured on the wall poster created for next year's Animal Action program.

The contest is open to young people ages five to 18. Your artwork should be in color and no larger than a standard letter size (8.5 in x 11 in) page. It can be a painting, colorful sketch, collage or any other original illustration.

Visit www.ifaw.org/education for complete contest details and to download additional entry forms.

About IFAW
