

Celebrate National Whale Day

6 June 2009

Show the world you love whales!

IFAW (International Fund for Animal Welfare) is running a photo competition for National Whale Day 2009.

To enter, send in a photo of yourself or all your friends making a whale tail with your hands.

There are prizes for the most creative photos from groups and individuals.

The competition will be launched on National Whale Day, 6 June 09, and closes on 31 July 09.

Don't forget to tell your friends and family to enter.

What is National Whale Day all about?

National Whale Day is a day for everyone to celebrate their love of whales, as well as draw attention to some of the threats they face today, like whaling, climate change, ship strikes and ocean noise.
